Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: The attorney, Michael Cesarano, called the examiner to discuss the rejection (mailed 5/9/07) and if incorporating the limitation "without traversing Short Message Centers situated in said different wireless networks" into the body of the claims would overcome the rejection. The examiner agreed that a new search would have to be performed if that limitation was incorporated into the body of the claims.

(A fuller description, if necessary, and a copy of the amendments which the examiner agreed would render the claims allowable, if available, must be attached. Also, where no copy of the amendments that would render the claims allowable is available, a summary thereof must be attached.)
